RE: July Quarterly Report (4/1/02-6/30/02)
Friends of Senator Carl Levin
C00088484

Dear Ms. Kelly:

I am writing in response to your letter regarding Friends of Senator Carl Levin's (The Committee) 2002 July Quarterly Report.

You itemized several contributions which appear to exceed the limits set forth in the Act. The Committee believes that all but one of the contributions itemized by you are permissible. Due to data entry and conversion errors, the Committee inadvertently reported that General Election contributions were instead contributions for the Primary Election. Specifically:

- Irma Elder: Her contribution of \$1,000, made on 6/11/02, should have been reported as \$500 for the Primary and \$500 for the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports these contributions.
- Gilbert M. Frimet: His contribution of 5/6/02 should have been reported as having been for the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports this contribution.
- Sam Kravitz: His contribution of 6/28/02 should have been reported as having been for the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports this contribution.
- Michael Levin: His contribution of 6/25/02 should have been reported as having been for the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports this contribution.
- Kerrey for U.S. Senate Committee: One of these contributions in the amount of \$1,000 should have been reported as having been for the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports this contribution.
